Watertown-Mayer Christmas Tree Pickup

The Watertown-Mayer Ecology Club will be picking up Christmas trees again this year. The Ecology Club is a service organization that promotes ecology & recycling awareness and how individuals can make a difference. Each year students accumulate approximately 200 hours of recycling activities, including recycling in school, recycling on Saturdays for the County, ditch cleaning, and various other efforts. Students who acquire enough service hours have the ability to go on a trip to the Boundary Waters. To have the Ecology Club pick up your tree please email cityclerk@cityofmayer.com or call City Hall and give your donation by January 8, 2026. All donations will go towards the boundary waters trip. Place your tree at the curb by 9:00am on Saturday, January 10, 2026; be sure to have all decorations removed from the tree prior to pick-up.

The Mayer New Germany Lions fall BINGO was a success! They collected 425lbs of food and \$1,012.00 for the Watertown Gather and Grow Food Shelf. Pictured is Gather and Grow employee Lori, Lion Paulette, and Lion Debbie. Thank you for your generosity BINGO players!
