

Park Commission Memorandum

Item: Open Gym – Mayer Community Center

Meeting Date: January 11, 2022

Presented By: Margaret McCallum, City Administrator

Details:

Mayer City Hall/Community Center has a full indoor basketball court available to the community.

Historically, this area was rented by Watertown/Mayer School District for before and after care for school kids. It was also rented in the summer for summer childcare. It is not being used for this at this time.

Currently, the space is used/rented at times for small and large gatherings such as weddings, graduation parties, birthday parties, holiday parties, etc. Some local school teams also use it for basketball practices. Some people use it for yoga classes on the weekends. In addition, local community clubs/associations will use it for a meeting space.

Open Gym:

Recently, the City of Mayer has been opening the space during the day during days in which the schools are out for breaks/holidays.

Generally, the space is open from 10 am – 4 pm during the week.

Recommendation:

The Park Commission is being asked to discuss the idea of Open Gym time and if it should be expanded.
