

Park Commission Memorandum

Subject: Project Updates

Meeting Date: May 11, 2021

Presented By: Margaret McCallum, City Administrator

Park Commission Action:

To receive updates on projects.

Details:

Lions Park – Name Change Request – I do not have an update on this yet. I have been doing research and have asked other communities about this process. I have not gotten enough information back yet to present anything.

Splash Pad/Pavilion Discussion – I met with Jeff Corniea from Commercial Recreation Specialists to review the work this company has done in Minnesota as far as splash pad design. Unfortunately, I do not have any concept updates at this time. I am waiting from this new company on some designs and budget information. Therefore, the next time we will discuss this is in June.

Basketball Court – Discovery Park –

Staff is coordinating contractors to start the basketball court up at Discovery Park.

Basketball Hoops – Bluejay –

The Public Works Department will be replacing the basketball hoops at Bluejay Park.

Recommendation:

None.
