## Park Bench Donation Program

The Parks and Recreation Commission recently revamped the Park Bench Donation Program. This program provides residents and community members an opportunity to honor loved ones, celebrate special occasions, or commemorate significant events. Park benches can be purchased by individuals, families, organizations, or businesses. The cost of the bench will include the bench itself, personalized custom engraving, and a concrete pad for stable installation. Donors may select a preferred park or specific location within the city for placement and City staff will complete the installation. If you are interested in purchasing a bench, please contact the City Clerk at [cityclerk@cityofmayer.com](mailto:cityclerk@cityofmayer.com) or 952-657-1502.
